Error description

Your direct and competent hotline: +49 7723 657-385

Please complete the service order and enclose it with the delivery. After we receive your device, we will confirm receipt to you and inform you of the final return date. The repair invoice will be included with the delivery.

Thank you for your trust. Your REINER repair service

Additional repair charges may apply if the damage to the unit exceeds the standard flat repair rate (parts/labor). Devices older than 8 years will be repaired at cost. The customer will be informed in advance before the repair is carried out. Please note that in case of extreme degradation we reserve the right not to repair the device in question.
