

Packaging Print Station PS100

- ✓ Prints up to 20 packages per minute
- ✓ Repeatable and manual printing
- ✓ Tool-free height adjustment

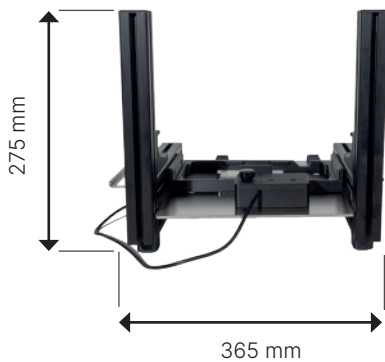

Manual single-item feeding for reliable packaging marking

Precisely mark up to 20 boxes per minute—without labels and with no setup required.

The PS100 Packaging Printing Station is a stationary single-feed unit for the jetStamp® 1025, 1025 sense, and jetStamp® 990.

It enables repeatable, manual marking of folding boxes, cartons, and packaging—up to 2,500 markings per day.

Ideal for packing tables, manufacturing facilities, and applications with fixed print positions.
